Dear Ms. Cross,

Thank you for selecting Northwind Stationers to produce the letterhead and correspondence cards for your new studio. We are delighted to begin work on the project and have reserved press time for the first run later this month.

Enclosed you will find proofs for the primary letterhead, the second sheet, and the matching envelopes. Once you have approved the proofs, we will move directly to production and expect to deliver within ten business days.

It is a pleasure to work with your team, and we look forward to a long association.

Sincerely,

A handwritten signature in dark blue ink, consisting of a series of connected loops and curves, representing the name Eleanor Whitfield.
